## **Letter Of Recommendation**

**"TO WHOMSOEVER IT MAY CONCERN"**

Mr. Kunal Kishor Wankhede, worked as Ethical Hacker in cyber crime investigation cell office, Bandra (E), Mumbai under my supervision during Jan-Dec 2022. During his internship period, I developed a very high regard for him, based on the outstanding contributions that he made to our office throughout the year.

Kunal has been a productive member of the cyber cell. He made case reports and helped with victim counselling. He has exhibited a rare combination of passion, hard work, and accuracy that has enabled him to produce high volume of work while maintaining excellent standards of quality.

He is really organized and focused when working. He has sound knowledge about cyber security and cyber tools. This enables him to work and balance multiple projects concurrently. His upbeat demeanour made him a competent intern. His strong written and verbal communication skills aided him to relay information in a coherent and precise manner.

I therefore endorse him for roles that require cyber security, research, intelligence and communication skills.
